Ref.C.No. 4060-37-B3. South Kanara Collector's Office,
Mangalore, dated 30 - 8 - 1938.

From

Sri Rao Bahadur M.V.Vellodi, B.A.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue & Settlement,
M a d r a s.

Sir,

Alienation - Land and Revenue - Karkal Taluk -Nire village -S.No.101 - portion - South Kanara Dt.Board - Travellers' Bungalow -resumption -proposals - submitted.

Ref: R.P. Mis.No.2990 dated 31-8-34.

S.No. 101 of Nire village of Karkal Taluk measuring 2.70 acres was alienated to the South Kanara Dt. Board for the purpose of a Travellers' Bungalow free of charge for the occupanc right and free of assessment in G.O.No. Ms. 1706 Revenue Department dated 28-8-34.

2. As the Panchayat Court in this village was being held in a private building and the need for a Government building to hold the court was being felt for a long time it was proposed to construct a new building but no suitable site is available in the village elsewhere. A portion of S.No.101 measuring 25 cents marked S.No. 101/2 in the enclosed sketch was therefore selected for the purpose. Funds for the construction of the building have long before been sanctioned from the allotments of 1937-38 and the work was started with the consent of the Dt.Board and completed.

3. I enclose herein a copy of resolution No.81 dated 4-1-38 of the South Kanara Dt. Board agreeing to the resumption of the plot now subdivided as 101/2 and selected for the construction of the village chavadi and request that the Board may be pleased to sanction the resumption of the plot. No seigniorage had been collected at the time of alienation and no

compensation is due to the Board.

R.Dis.3503-33 dated 6-9-34 of my office is enclosed.

For Collector.

Extract from the Proceedings of the Meeting of the Standing Committee of the Dt.Board dated 4-1-38.

81. Read Collector's letter Ref.B3-4060-37 dated 7-10-37 requesting to send him a resolution of the Board agreeing to the relinquishment of a portion of plot S.No.101 (marked as S.No. 101/2) of Nire village Karkal Taluk alienated to the Dt.Board for the purpose of an Inspection shed for constructin a building for the Nire village Panchayat Court.

Read also Dt. Board Engineer's ~~Endorsement~~ Endorsement N.Dis. D.R. 382/DE.37 dated 15-12-37 recommending that a plot equal in extent in the western corner of the plot may be relinquished as the one proposed by the Collector in the South Eastern corner besides being too near the approach road to the Inspection shed would block the frontage of the shed.

Resolution: Dt. Board Engineer's recommendation approved.

Sir,

Alienation - Land and Revenue -Karkal Taluk -Nire village - S.No.101/2 - South Kanara Dt.Board - Travellers' Bungalow - resumption -proposal -further report.

Ref: Board's Ref.No.E-4571-38-1 dated 10-9-38.

I enclose a sketch of the plot S.No.101/2 in duplicate.

The need for a village chavadi in Nire village was considered as urgent. No other suitable site was available in the village for this purpose except S.No.101. The President Dt. Board in his Ref.C.No.7831-37-A5 (copy enclosed) dated 21-12-37 definitely intimated that the Government might resume the plot required for this purpose on the south-western corner of S.No.101. I enclose a copy of Resolution No.81 dated 4-1-38 of the Standing Committee of the Dt. Board. The amount allotted for the construction of a village chavadi in Nire village out of the District allotment for 1937-38 to be spent within the official year. Thus the constructi of the village chavadi on this plot was allowed though at time it was not literally at the disposal of Government.

Letter from the President, Dt.Board, South Kanara, Mangalore.

Sub: Alienation - land - Karkal Taluk -Nire village - S.No. 101 -(portion) -Local Fund Bungalow -resumption for locating village panchayat court -relinquishment by the Dt.Board.

Ref: Your Ref.B3-4060-37

The Dt.Board Engineer recommends that it would be advisable to locate the panchayat court in the south-western corner of the compound of the Inspection shed as the plot proposed by you besides being too near the approach road to the Inspection shed would block the frontage of the shed. The resolution of the Standing Committee required by you could not be obtained as the Standing Committee did not meet on the 18th instant for want of quorum. You may therefore, resume the portion of the plot required for the construction of the panchayat court on the south-western corner of the compound as proposed by the Dt.Board Engineer, in anticipation of approval by the Standing Committee. The meeting of the Standing Committee would, however, be held on the 4th January 1938 and its resolution will be communicated to you immediately after the meeting.
